Information about the town and/or neighborhood	<p>Motril is located by the sea, at the heart of the Tropical Coast of Granada. It is only 40 minutes away from the city of Granada and 1 hour away from Malaga airport. It has extraordinary weather throughout the year. It is a medium-sized town with all services. Here you can find a promotional tourist video of the region, made from the village of Salobreña, only 7 kilometres away from Motril.</p> <p>Motril can offer beaches, sport activities, cultural events, wonderful gastronomy, exciting hiking trails in the Alpujarra region, and the closeness of one of the most beautiful cities in Europe, Granada.</p>
Getting to school	Most language assistants prefer to live in Motril and come walking to the School, which is located in the centre. Others choose to live just by the beach and come by bicycle or bus. Another option is to live in Granada, and do car-pooling with other teachers coming from there.
Contact with other Language Assistants	The best way to find accommodation is to contact us at the School. There are usually offers on our notice board, or we may know of possibilities. We can also help the language assistant to contact renting agencies.

	<p>If the assistant prefers to stay with a family, we can look into it and help, using the contact list of our students and ex-students.</p> <p>Contacting a flat with teachers is an option which would have to be assessed every individual year, to see if there are teachers interested.</p>
	<p>The language assistant programme for the Escuelas de Idiomas was discontinued in Andalusia for a good number of years. Before that, we had more than 15 assistants.</p> <p>This is Houngyu Lu's email our assistant in 2021/2022. You can read here about her experience.</p> <p>This is Tania Jaramillo's email, assistant in 2022/2023. Her experience is included here.</p>
